

5th BigBrain Workshop - Insights from the BigBrain

Wednesday, September 22, 2021

Contributed Talks: Structural and Functional Mapping (4:15 PM - 4:45 PM)

-Conveners: Andrija Štajduhar

| time | [id] | title | presenter |
|---------|------|--|--------------------------|
| 4:15 PM | [1] | High-Resolution Cytoarchitectonic Maps of the Medial Geniculate Body in the BigBrain enabled by Deep Convolutional Neural Networks | KIWITZ, Kai |
| 4:30 PM | [2] | Cytoarchitectonic mapping and analysis of the VIM nucleus of the thalamus in ten human post mortem brains including the BigBrain2 | Ms DEVAKURUPARAN, Saruka |
