

AI HERO Hackathon 2021

Tuesday 1 February 2022 - Thursday 3 February 2022

Virtual

Scientific Programme

We would like to give you as much freedom and flexibility in working on your task as possible, so there will be little agenda points over the course of the hackathon.

On Wednesday and Thursday morning, there will be short 15-min Get-Together Sessions in different breakout rooms, where you can chat with fellow participants over a cup of your favorite morning beverage, or ask questions to the organizers. These sessions are voluntary, and it is up to you whether you want to parttake.

IMPORTANT

Participation in the initial session is mandatory to all participants, as it will give you introduction to the challenges and datasets, and you will be assigned to your team. If you do not show up for this session, we cannot assign you to a team, and your participation is hence forfeit.

Apart from the initial and the final session, you are free to work on your task, whenever, wherever and how you deem fit for your team. In case you need help with anything, our orga team will be available between 9am and 5pm on all days (Helpdesk hours).
