

NEST Conference 2024

Monday 17 June 2024

Keynote (09:15 - 10:00)

time	[id] title	presenter
09:15	[4] Diversity and inclusion: Distributed simulation of multiple brain and body models in multiple simulators on multiple computers across multiple organizations	YAMAZAKI, Tadashi

Keynote (15:10 - 15:55)

time	[id] title	presenter
15:10	[5] A multiarea model predicts the changes in thalamocortical beta oscillations caused by dopamine depletion in basal ganglia and cerebellum	GAMBOSI, Benedetta

Tuesday 18 June 2024

Keynote (09:00 - 09:45)

time	[id] title	presenter
09:00	[15] Accelerated Simulation of Biological Neural Networks	GEMMEKE, Tobias

Keynote (13:40 - 14:25)

time	[id] title	presenter
13:40	[8] The attractor dynamics of behavioral flexibility in spatial and reversal learning	GHAZINOURI, Behnam
