28.03.2024

Agenda
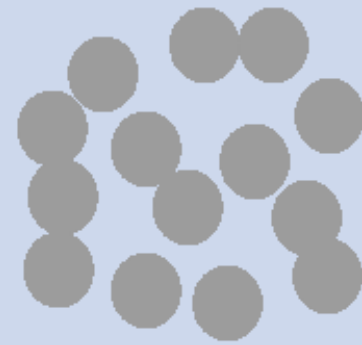

Welcome (10')

Pitch Talks (10')

Group Discussion (20')

Summary and Closing (10')

Check In – What did you do prior to this meeting?

- Group up in pairs of two (somebody unknown to you)

- Introduce yourself
- Tell your counterpart in 2 min what you have been doing prior to this meeting.

Short Lightning Talks

- **GitLab Community vs. GitLab Enterprise** (5′)
  Speaker: Fabian Schlegel

- **First Impressions of the PyMeasure module for Experiment Control** (5′)

  Speaker: Till Zürner

Discussion (15 min)

- Split up in groups (one for each talk)
- Talk about the challenges in there respective projects.

- Each group should summarize your discussion (~1..2 min)
- Everybody. What is your take away in <u>one</u> sentence?

What is next?

- Next RSE Meetup on **06.06.2024**
