Helmholtz Association

 **JÜLICH**
Forschungszentrum

SESSION TOPICS:

- Data Standardization, Findability, and Reusability
- Modeling and Data Science Approaches to Bioeconomy-Driven Biotechnology, Agrosphere, and Plant Research
- Poster Session

SPEAKER:

Marco Bocola

Enzymaster,
Düsseldorf

Robin Gebbers

ATB, Potsdam

Jelena Ivanovska

Exazyme, Berlin

Jens Krüger

University Tübingen

Fathoni Musyaffa

University Düsseldorf

Jens-Eric Nielsen

Novozymes,
Copenhagen

Jan Range

University Stuttgart

Moritz von Stosch

Data How, Zürich

Björn Usadel

Forschungszentrum
Jülich

Ute Wollschläger

UFZ, Leipzig

CONTACT

Prof. Dr. Holger Gohlke • Birgit Kowollik (Secr.)
