

# **Continuous Integration (CI)**

## **Report of Contributions**

Contribution ID: 1

Type: **not specified**

## Pull and Run Containers

*Monday 8 April 2024 09:00 (1h 30m)*

<https://hifis.net/workshop-materials/general-container/episodes/02-pulling-and-running/>

**Session Classification:** Using Container in Science

Contribution ID: 2

Type: **not specified**

## Creating a Container

*Monday 8 April 2024 10:30 (1h 30m)*

<https://hifis.net/workshop-materials/general-container/episodes/03-creating/>

**Session Classification:** Using Container in Science

Contribution ID: 3

Type: **not specified**

## Publishing Images

*Monday 8 April 2024 13:00 (1 hour)*

<https://hifis.net/workshop-materials/general-container/episodes/04-publishing/>

**Session Classification:** Using Container in Science

Contribution ID: 4

Type: **not specified**

## Using Podman Compose

*Monday 8 April 2024 14:00 (1 hour)*

<https://hifis.net/workshop-materials/general-container/episodes/05-podman-compose/>

**Session Classification:** Using Container in Science

Contribution ID: 5

Type: **not specified**

## Getting Started with GitLab CI

*Tuesday 9 April 2024 09:00 (30 minutes)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/02-getting-started/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: 6

Type: **not specified**

## Demo Project - Continuous Integration

*Tuesday 9 April 2024 09:30 (1 hour)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/03-demo-project/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: 7

Type: **not specified**

## Extending the Pipeline

*Tuesday 9 April 2024 10:30 (1h 30m)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/04-extending-the-pipeline/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: 8

Type: **not specified**

## Removing Redundancies

*Tuesday 9 April 2024 13:00 (1h 30m)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/05-remove-redundancies/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: 9

Type: **not specified**

## Optimize the Pipeline Performance

*Wednesday 10 April 2024 09:00 (1h 30m)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/06-pipeline-performance/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: **10**

Type: **not specified**

## **Towards a Concise Pipeline Definition and Cross-Project Reuse**

*Wednesday 10 April 2024 10:30 (1h 30m)*

<https://hifis.net/workshop-materials/gitlab-ci/episodes/07-using-includes/>

**Session Classification:** Continuous Integration in GitLab

Contribution ID: 11

Type: **not specified**

## Summary and participant use cases

*Wednesday 10 April 2024 13:00 (1h 30m)*

**Session Classification:** Continuous Integration in GitLab
