Pull and Run Containers

Wednesday 4 December 2024 09:00 (1h 30m)

https://hifis.net/workshop-materials/general-container/episodes/02-pulling-and-running/

Session Classification: Using Container in Science

Contribution ID: 2　　　　　　　　　　　　　　　　Type: **not specified**

Creating a Container

Wednesday 4 December 2024 10:30 (1h 30m)

https://hifis.net/workshop-materials/general-container/episodes/03-creating/

Session Classification: Using Container in Science

Contribution ID: **3** Type: **not specified**

Publishing Images

Wednesday 4 December 2024 13:00 (1 hour)

https://hifis.net/workshop-materials/general-container/episodes/04-publishing/

Session Classification: Using Container in Science

Contribution ID: 4   Type: **not specified**

Using Podman Compose

Wednesday 4 December 2024 14:00 (1 hour)

https://hifis.net/workshop-materials/general-container/episodes/05-podman-compose/

Session Classification: Using Container in Science

Contribution ID: **5** Type: **not specified**

Getting Started with GitLab CI

Thursday 5 December 2024 09:00 (30 minutes)

https://hifis.net/workshop-materials/gitlab-ci/episodes/02-getting-started/

Session Classification: Continuous Integration in GitLab

Contribution ID: **6** Type: **not specified**

Demo Project - Continuous Integration

Thursday 5 December 2024 09:30 (1 hour)

https://hifis.net/workshop-materials/gitlab-ci/episodes/03-demo-project/

Session Classification: Continuous Integration in GitLab

Contribution ID: **7** Type: **not specified**

Extending the Pipeline

Thursday 5 December 2024 10:30 (1h 30m)

https://hifis.net/workshop-materials/gitlab-ci/episodes/04-extending-the-pipeline/

Session Classification: Continuous Integration in GitLab

Contribution ID: **8**

Type: **not specified**

Removing Redundancies

Thursday 5 December 2024 13:00 (1h 30m)

https://hifis.net/workshop-materials/gitlab-ci/episodes/05-remove-redundancies/

Session Classification: Continuous Integration in GitLab

Contribution ID: **9**
Type: **not specified**

Optimize the Pipeline Performance

Friday 6 December 2024 09:00 (1h 30m)

https://hifis.net/workshop-materials/gitlab-ci/episodes/06-pipeline-performance/

Session Classification: Continuous Integration in GitLab

Contribution ID: **10**　　　　　　　　　　　　　　　　　　Type: **not specified**

Towards a Concise Pipeline Definition and Cross-Project Reuse

Friday 6 December 2024 10:30 (1h 30m)

https://hifis.net/workshop-materials/gitlab-ci/episodes/07-using-includes/

Session Classification: Continuous Integration in GitLab

Contribution ID: **11**   Type: **not specified**

Summary and participant use cases

Friday 6 December 2024 13:00 (1h 30m)

Session Classification: Continuous Integration in GitLab
