Transfer Part 2: Transfer-Bowl

In this session we would like to invite the speakers of the transfer impulse talks to share their “LEARNINGS” with us in a fish bowl session.

- What are the particular challenges when applying for transfer projects?
- What really promotes a project - on a professional level, but also from your personal experience?
- What are the indicators of success for a transfer project?
- What were the biggest hurdles?
- What does it take to make a project sustainable?

Session Classification: Plenary V
