Wednesday 13 November 2024 15:30 (1h 30m)

The Research Support department offers a wide range of services surrounding third party funding. In our break-out session we would like to introduce the set-up of our department and the services we offer. We will give a short overview on funding possibilities and explain the 'How to' and 'Why' of the famous AWI Laufzettel. Everyone is welcome to join and to bring along any questions they may have on third party funding and our services.

Presenter: LANGE, Nancy

Session Classification: Breakout Sessions
