

CASUS Science Day 2024

Thursday 19 December 2024

Talks Session 2 (11:45 - 12:35)

time	[id] title	presenter
11:45	[53] The relevance of compound events for understanding extreme climate impacts	ZSCHEISCHLER, Jakob
11:55	[54] Scalable Machine Learning for Materials Science	CANGI, Attila
12:05	[55] Systems biology of disordered proteins and condensates	TOTH-PETROCZY, Agnes
12:15	[56] Unraveling warm dense matter	DORNHEIM, Tobias
12:25	[57] Discriminative and Generative AI for Inverse Problems in Biomedical Computational Microscopy	YAKIMOVICH, Artur
