Workshop Session

Tuesday 15 October 2024 10:50 (1h 30m)

This hands-on workshop session is based on the “Living guidelines on the Responsible Use of AI in Research” , using a world-café setting. Three virtual tables will host a deep dive into the guidelines through guided discussions and exchange of experience, capturing different perspectives on the topic. We will use miroboards for documentation.

Presenters: FERGUSON, Lea Maria (Helmholtz Association, Helmholtz Open Science Office); GENDERJAHN, Steffi (Helmholtz Open Science Office); SCHWORM, Stephanie (HIDA)
