

## Workshop - Recruiting and Onboarding Doctoral Candidates

*Thursday 26 September 2024 14:15 (1h 30m)*

The first phase of the doctoral project lays the foundation for the success of following months and years until project completion. The afternoon workshop will address how to hire suitable doctoral candidates and how to act in the crucial onboarding phase to clarify mutual expectations and obligations, and to create a positive dynamic.

**Presenter:** Dr ZACH, Matthias (KaBeAk)
