For this purpose, I hereby grant the **authorization** (pursuant Article 6 paragraph 1 of the DSGVO) and declare my consent that the photographic images of myself may be published:

- ☐ in print media (e.g. brochures, presentations, flyers, posters, press releases, Insider)
- ☐ on the HZDR internet sites (e.g. photo gallery for events etc.)
- ☐ in social media of the HZDR (e.g. Twitter & LinkedIn channel)
- ☐ on the HZDR intranet (e.g. department photo, address book)

without any kind of temporal, spatial, or content-related restrictions. The photos as well as this declaration of consent will be saved/stored for this purpose at HZDR.

This **authorization is of course voluntary**, and can also only refer to one specific usage and can exclude certain utilizations. An authorization that has been granted can be **revoked in writing at any time** – partially or entirely – with immediate effect for the future. In this event, the respective photos in the internet shall be removed and no further photos of your person shall be inserted and/or used in printed media. Old printed products shall continue to be used, in principle, but the revocation shall be taken into consideration in the context of new reprints or the like.

Insofar as indicators emerge in reference to my ethnic background, religion or health, my authorization also refers to this information in the context of the above-mentioned photo usage.

I/we would like to mention that, due to publication in the internet, these photos could be accessed by anybody worldwide. It is possible that the published photos can be, by third parties, downloaded, saved and utilized for unknown purposes – in some cases in connection with further accessible information – even after a revocation of this authorization has been executed. Through the archive function of search machines, the possibility exists that data could still remain retrievable even if the particulars have previously been removed from the internet offerings of the company and/or its partners.

For questions regarding data protection regulations and to exercise my rights (information, revocation, if necessary correction and restriction of processing or deletion), I can contact the operating data protection agent of HZDR (email contact: dsb@hzdr.de) at any time. Furthermore, I have the right to file a complaint at any time with the regulatory authorities.

The granting of rights for publication of the images ensues without compensation and includes a right to processing, insofar as these image alterations do not involve distortion or disfiguration.
