The OpenQDA Project Live DEMO

Wednesday 26 February 2025 19:40 (20 minutes)

The qualitative data analysis software OpenQDA¹ is already available as a free public Beta for anyone to use. In this DEMO we will showcase the upcoming 1.0 release with a real-world live coding, involving an entirely redesigned user-interface, as well as a set of fundamental AI-plugins for preparation, coding and data analysis.
