snip –user centric collaborative digital lab book

Tuesday 25 March 2025 09:15 (15 minutes)

We present current updates on the development of **snip** –the user friendly collaborative lab book to document your current thoughts about the experiment online and live.

Recent improvements include:

- Hyperlinks to other systems,
- Hyperlinks to specific snips,
- Single Sign On / OpenID Connect,
- Progressive Web App for mobile devices,
- Python library.
