

SynCom CuLiWell Kick-off

Report of Contributions

Contribution ID: 1

Type: **not specified**

Impulsvortrag BMWK: Bergrecht und Geothermie

Monday 24 February 2025 15:30 (30 minutes)

Presenter: Dr KÜHNE, Hartmut (Referat Rohstoffabbau und Rechtsrahmen des Bergbaus, Bundesministerium für Wirtschaft und Klimaschutz)

Session Classification: Presentations by guests and partners

Contribution ID: 2

Type: **not specified**

Impulsvortrag DERA: Aktuelle Entwicklungen auf dem internationalen Kupfermarkt

Monday 24 February 2025 16:40 (30 minutes)

Presenter: DORNER, Ulrike (Fachbereich Rohstoffwirtschaft, Deutsche Rohstoffagentur (DERA))

Session Classification: Presentations by guests and partners

Contribution ID: 3

Type: **not specified**

Das Li+Fluids Projekt

Monday 24 February 2025 16:00 (20 minutes)

Presenters: STECHERN, André (BGR - Bundesanstalt für Geowissenschaften und Rohstoffe); ALMS, Katharina (Fraunhofer IEG)

Session Classification: Presentations by guests and partners

Contribution ID: 4

Type: **not specified**

Electrochemical Methods for Cu Extraction

Monday 24 February 2025 17:10 (20 minutes)

Presenter: SANDER, Sylvia (GEOMAR)

Session Classification: Presentations by guests and partners

Contribution ID: 5

Type: **not specified**

Lithium resources in geothermal brines of the Upper Rhine Graben and possible extraction technology

Monday 24 February 2025 16:20 (20 minutes)

Presenter: EICHE, Elisabeth (KIT - Karlsruher Institut für Technologie)

Session Classification: Presentations by guests and partners

Contribution ID: 6

Type: **not specified**

Geothermal Reservoir Modelling Capacities of OpenGeoSys

Tuesday 25 February 2025 09:00 (20 minutes)

Presenter: SHAO, Haibing (UFZ - Helmholtz-Zentrum für Umweltforschung)

Session Classification: Presentations by partners and guests

Contribution ID: 7

Type: **not specified**

Critical raw material extraction from a fracture-dominated Enhanced Geothermal System

Tuesday 25 February 2025 09:20 (20 minutes)

Presenter: HOFMANN, Hannes (GFZ Helmholtz-Zentrum für Geoforschung)

Session Classification: Presentations by partners and guests

Contribution ID: 8

Type: **not specified**

The occurrence of natural Cu and Li deposits and possible connections to CuLiWell

Tuesday 25 February 2025 09:40 (20 minutes)

Presenter: WEIS, Philipp (GFZ Helmholtz-Zentrum für Geoforschung)

Session Classification: Presentations by partners and guests

Contribution ID: 9

Type: **not specified**

Wrap-up Day 1

Monday 24 February 2025 17:30 (15 minutes)
