

NEST Conference 2025

Tuesday 17 June 2025

Keynote (09:15 - 10:00)

time	[id] title	presenter
09:15	[2] Full-scale point neuron models of mouse and human hippocampal microcircuits	GANDOLFI, Daniela

Keynote (15:30 - 16:15)

time	[id] title	presenter
15:30	[9] The SpiNNaker2 neuromorphic system for large-scale brain simulation and energy-efficient AI	VOGGINGER, Bernhard

Wednesday 18 June 2025

Keynote (09:00 - 09:45)

time	[id] title	presenter
09:00	[11] Signal propagation and denoising through topographic modularity of neural circuits	ZAJZON, Barna

Keynote (13:50 - 14:35)

time	[id] title	presenter
13:50	[20] Astroglia in Neural Circuits: Modeling Synaptic and Network Modulation	LINNE, Marja-Leena
