

Marketplace & Poster Session: Explore the Helmholtz Universe: Platforms, Tools & Opportunities

Monday 19 May 2025 15:30 (1 hour)

Grab a coffee and explore the diverse landscape of Helmholtz platforms and initiatives at our interactive Marketplace and Poster Session. Learn more about HIFIS, Helmholtz AI, the Helmholtz Metadata Collaboration, Helmholtz Imaging, and other exciting opportunities at HESIE, the Open Science Office and more. Connect with experts, ask questions, and discover how these services and tools can support your research and collaboration within the Helmholtz ecosystem.
