

Multiscale Modeling of Matter under Extreme Conditions

Wednesday 14 September 2022

Afternoon Session (Wednesday) (14:30 - 16:15)

time	[id] title	presenter
14:30	[16] Average-atom-type models for warm dense matter	STARRETT , Charles
15:15	[23] Benchmarking pressures and ionization states for an average-atom model under warm dense matter conditions	CALLOW, Timothy
15:45	Coffee Break
