

Multiscale Modeling of Matter under Extreme Conditions

Friday 16 September 2022

Morning Session (Friday) (09:00 - 12:15)

time	[id] title	presenter
09:00	[35] High-fidelity particle-in-cell simulations at multiple scales	DEBUS, Alexander
09:45	[8] Conditional probability DFT and warm dense matter	BURKE, Kieron
10:30	Coffee Break	
11:00	[28] Thermal PBE for Warm Dense Matter Calculations	KOZLOWSKI, John
