HZDR AI Symposium 2025 – Gallery Walk

Instructions:

- Introduce yourselves to each other
- Discuss about your views and experiences with LLMs
- Make sure everyone get the same amount of talking time
- Take notes below

Guiding questions:

- What does this image say about LLMs for you?
- How do you see the progress of LLMs?
- What experiences have you had with LLMs?
- When would you trust an LLM – and when not?

Take-aways:

Instructions for group exchange

1. **Get to know each other:** Start with a short round of introductions.
2. **Exchange perspectives:**
 - Group 1 shares their key points (using their canvas).
 - Group 2 listens and asks clarifying questions.
 - Then switch roles.
3. **Joint reflection:** Discuss together:
 - What surprised you in the other group's view?
 - What do you want to learn more about?
 - Where do your perspectives overlap?
Where do they differ?
4. **Closing round:** Each person shares one highlight from the exchange.
