Childcare

TRACER would like to support parents with young children who find it challenging to attend extended in-person events. Therefore, there is a possibility to bring children up to 12 years of age and a

caregiver if no other childcare options are available during the meeting. Those interested in this option should contact Sandra (sandra.hille@ufz.de) and Julia (julia.pasqualini@ufz.de).

Costs

All costs are covered by the TRACER budget unless indicated otherwise in the agenda.

If you are currently employed by TRACER or UFZ, you have to fill out a request for a business trip and apply to the TRACER budget to have your travel costs covered.

If you are not currently employed by TRACER or UFZ, you will receive a guest cost request form to complete, allowing you to declare your travel-related expenses.
