

A user journey. Basic Services in action

Tuesday 30 September 2025 14:45 (30 minutes)

This user journey demonstrates eight Base4NFDI services in action. Meet our small imaginary research team and find out how they use Base4NFDI services for their research and research data management. Find out how this helps them get things done and stick to the FAIR principles throughout their project's entire research data lifecycle.

Presenter: WIESHUBER, Alois (Base4NFDI / DESY)
