

# NFDI4Microbiota Annual Conference 2025 - "From Lab to Publication: Bridging the Gap with Best Practices"

## Tuesday 30 September 2025

**From Pipelines to Portals: Next-Generation Tools for Microbiome Analysis - Room C (15:45 - 17:45)**

time	[id] title	presenter
15:45	[11] Workshop 7: Identifying Identifiers: Harnessing StrainInfo's tools to find and resolve strain designations in literature and metadata	LISSIN, Artur

# Wednesday 1 October 2025

## **From Pipelines to Portals: Next-Generation Tools for Microbiome Analysis - Room C (13:30 - 15:00)**

time	[id] title	presenter
13:30	[12] Workshop 8: Federated and FAIR: Scalable Data Management with Aruna v3 (Part I)	HOCHMUTH, Jannis BREHM, Lukas

## **From Pipelines to Portals: Next-Generation Tools for Microbiome Analysis - Room C (15:30 - 16:30)**

time	[id] title	presenter
15:30	[18] Workshop 8: Federated and FAIR: Scalable Data Management with Aruna v3 (Part II)	HOCHMUTH, Jannis BREHM, Lukas

## Thursday 2 October 2025

### **From Pipelines to Portals: Next-Generation Tools for Microbiome Analysis - Room C (10:45 - 12:15)**

time	[id] title	presenter
10:45	[13] Workshop 9: CAMI benchmarking portal: towards standards and best practices in computational metagenome analyses	MEYER, Fernando
