

The Challenge of Complexity: Decision Theater™

Contribution ID: 7

Type: **not specified**

Part B

Wednesday 11 June 2025 12:00 (1 hour)

(b) A participatory discussion with all attendees to co-develop ideas for future use cases, especially in the environmental research domain: we aim to explore how the Decision Theater™ can support collaborative scenario-building and systems thinking in areas such as climate adaptation, biodiversity policy, and land-use transformation.
