

High-Tc electron-hole superfluidity and BCS-BEC crossover in double-layer heterostructures

Tuesday 26 July 2022 17:20 (20 minutes)

**** Remote Talk ****

Primary author: PERALI, Andrea (School of Pharmacy, Physics Unit, University of Camerino, Italy)

Presenter: PERALI, Andrea (School of Pharmacy, Physics Unit, University of Camerino, Italy)

Session Classification: Confined and Mesoscopic Coulomb Systems
