

# **Towards Large-Scale and Spatio-temporally Resolved Diagnosis of Electronic Density of States by Deep Learning**

*Friday 29 July 2022 15:25 (20 minutes)*

**\*\* Remote Talk \*\***

**Primary author:** ZENG, Qiyu (National University of Defense Technology, China)

**Presenter:** ZENG, Qiyu (National University of Defense Technology, China)

**Session Classification:** Machine-Learning Methods for Coulomb Systems
