WG activities - Ongoing / To-do

- Move all the official material in the internal web page
 - Currently everything stored on google drive
 - *Discussion point: problem accessing the restricted area*
- Wikipedia entry
 - First draft should be accessible here: <https://en.wikipedia.org/wiki/Draft:NuFFER>
 - Got declined:
"Declining submission: corp - Submission is about a company or organization not yet shown to meet notability guidelines"
 - Side note: NuPECC does not have a wikipedia entry
- Presence on social media
 - Starting point: linkedIn
 - Possibility of expanding to others
 - *Discussion point: which social media should we join?*
 - *Discussion point: On the website we have links to NuPECC social media accounts (facebook, twitter*, linkedin). Do we want to keep that?*
