

Agenda FPCUP Final Event

FPCUP: 7 years of Copernicus User Uptake

The final event is hosted by DG DEFIS and DLR as FPCUP coordinator. It will bring together FPCUP partners, Copernicus Entrusted Entities, stakeholders, and key decision-makers to showcase the achievements of the project, discuss the impact of Copernicus user uptake across various sectors, and explore future opportunities for collaboration or funding.

1 October 2025, 1 – 6:15 pm.
