

Open Educational Resources (OER) Workshop

Wednesday 9 November 2022 14:15 (1 hour)

You are looking for open content such as images, music, or text; Repositories for finding and disseminating OER for schools, vocational training, universities or further education and tools for creating OER? Are you looking for answers to legal questions? You can find all this and much more on OERinfo. Join us on a virtual tour and learn more about the German-speaking OER landscape. Discuss the added value of OER and research and produce open educational materials independently or collaboratively.
