

IP1-B1: Workshop "Soil as Bio-Reactor"

Thursday 13 October 2022 11:00 (1h 30m)

Identifying knowledge gaps in soil organic matter turnover and pollutant degradation with a focus on microbial processes, developing methods to analyse important aspects with lab-, field experiments and remote sensing and concepts to improve existing modeling approaches

Primary author: KÖNIG, Sara

Co-authors: VOGEL, Hans-Jörg; WICK, Lucas; KÄSTNER, Matthias; SCHLÜTER, Steffen

Presenters: VOGEL, Hans-Jörg; WICK, Lucas; KÄSTNER, Matthias; KÖNIG, Sara; SCHLÜTER, Steffen

Session Classification: Breakout Session
