Social gathering (open end)

Monday 28 June 2021 18:30 (2 hours)

Meet all the other conference participants in an informal setting at the GatherTown beach, chat, play games and get to know the NEST community members around you. Don't hesitate to bring your favorite drink and lunch/dinner/snack adequate for your timezone.

This is of course an optional offering and you can also reduce your screen time and go for a *real* walk to regenerate (without the community though). We'll hopefully see each other again tomorrow.
