The screenshot shows the Indico user interface. On the left, a navigation menu is visible with 'My Contributions' highlighted in red. The main content area features a large banner for the 'HMC CONFERENCE' virtual event from October 5-6, 2022. Below the banner, there is a section titled 'Join our road to FAIR' with a sub-header 'Together we can turn FAIR into reality - join us and your (meta)data community.' and a paragraph inviting users to the first virtual conference of the Helmholtz Metadata Collaboration (HMC).

3. At the bottom of the page there is the option to upload additional material. Please use this to upload your PDF file.

The screenshot shows the 'Presentation materials' section in Indico. The text 'Presentation materials' is displayed in orange. Below it, there is a text box containing the message 'There are no materials yet.' To the right of the text box, there is a red-bordered box containing an upload icon (a document with a plus sign).
