

2022 FELBE/TELBE User Workshop

Monday 12 September 2022

Session 2: Superconductors / Collective Phenomena - Hörsaal (15:15 - 17:00)

time	[id] title	presenter
15:15	[6] Developing THz-Higgs Spectroscopy in Superconductors	KAISER, Stefan
15:45	[7] Non-equilibrium superconductivity in a two-band superconductor MgB ₂ driven by narrow-band THz pulses	DEMSAR, Jure
16:15	[8] Collective modes in THz pump-probe spectroscopy: from phonons to electronic excitations	UDINA, Mattia
16:45	[9] Contributed Talk	MASHKOVICH, Evgeny
