

Breakout session 3: Policy dialogue in Arctic PASSION - How can we help?

Tuesday 23 May 2023 16:30 (1h 30m)

In Work Package 7, we open the gate for the dialogue to policy- and decision-makers from local to international scale: local and sub-national decision-makers, the European Commission and European Parliament, the Arctic Science Ministerial and Arctic Science Funders Forum and the Arctic Council. Whenever you have relevant information/outcomes/results/requests within Arctic PASSION this is relevant for us to know and to communicate. In this breakout session, we want to talk to you about how we can be of help to you, so we get out project results out to the right audiences and also ask them for feedback on our services.

Open session
