

UFZ Science Days 2023

Wednesday 1 November 2023

Breakout Session: Storylines, Part I (13:30 - 14:45)

time	[id] title	presenter
13:30	[93] Storyline "Shaping energy landscapes sustainably"	
13:30	[84] Storyline "Exploring paths towards multifunctional landscapes: perspectives from modelling & observation"	
13:30	[85] Storyline "Bending the curve of biodiversity loss under climate change"	
13:30	[86] Storyline "Toxic-free water resources for healthy people and ecosystems under global change"	

Breakout Session: Storylines, Part II (15:45 - 17:00)

time	[id] title	presenter
15:45	[87] Storyline "Towards sustainable agricultural land use"	
15:45	[88] Storyline "Environmental impact assessment of plastics and associated chemicals to support the transition to a non-toxic environment for humans and wildlife"	
15:45	[89] Storyline "Transformation towards resilient water landscapes"	
15:45	[90] Storyline "Urban transformation towards resilient blue-green infrastructures (BGI)"	

Thursday 2 November 2023

Breakout Session: Storylines, cont. Part I (09:30 - 11:30)

time	[id] title	presenter
09:30	[97] Closed Session: Overarching Storyline "Circular economy"	
09:30	[98] Storyline "Bending the curve of biodiversity loss under climate change"	
09:30	[99] Storyline "Shaping energy landscapes sustainably"	
09:30	[100] Storyline "Exploring paths towards multifunctional landscapes: perspectives from modelling & observation"	
09:30	[101] Storyline "Toxic-free water resources for healthy people and ecosystems under global change"	

Breakout Session: Storylines, cont. Part II (12:30 - 14:30)

time	[id] title	presenter
12:30	[102] Overarching Storyline "Extremes"	
12:30	[104] Storyline "Towards sustainable agricultural land use"	
12:30	[103] Storyline "Environmental impact assessment of plastics and associated chemicals to support the transition to a non-toxic environment for humans and wildlife"	
12:30	[105] Storyline "Transformation towards resilient water landscapes"	
12:30	[106] Storyline "Urban transformation towards resilient blue-green infrastructures (BGI)"
