Machine Learning: Course and Workshop

Monday 28 August 2023

deeplearning in 540 minutes: Clustering (building 04.8, room 142/143) - building 04.8, room 142/143 (10:00 - 12:00)

deeplearning in 540 minutes: Classification (building 04.8, room 142/143) - building 04.8, room 142/143 (13:00 - 14:30)

deeplearning in 540 minutes: Classification - building 04.8, room 142/143 (15:00 - 16:30)

Tuesday 29 August 2023

deeplearning in 540 minutes: Introduction to Deep Learning (building 04.8, room 142/143) - building 04.8, room 142/143 (09:00 - 10:15)

deeplearning in 540 minutes: Introduction to Deep Learning (building 04.8, room 142/143) - building 04.8, room 142/143 (10:45 - 12:00)

deeplearning in 540 minutes: Classification by Neural Networks (building 04.8, room 142/143) - building 04.8, room 142/143 (13:00 - 14:30)

deeplearning in 540 minutes: Classification by Neural Networks - building 04.8, room 142/143 (15:00 - 16:30)

Wednesday 30 August 2023

deeplearning in 540 minutes: Monitoring the training process (building 04.8, room 142/143) - building 04.8, room 142/143 (09:00 - 10:15)

deeplearning in 540 minutes: Monitoring the training process - building 04.8, room 142/143 (10:45 - 12:00)

deeplearning in 540 minutes: More about Neural Networks (building 04.8, room 142/143) - building 04.8, room 142/143 (14:00 - 16:30)
