

9th Data Science Symposium

Thursday 4 April 2024

Session 2: Data Quality and HPC for Data Science: Bernadette Fritzsich - Chair - Olbers-Saal (15:10 - 16:40)

time	[id] title	presenter
15:10	[28] Keynote: Earth Observation and Environmental Data Science on modern HPC systems	Dr EBERLE, Jonas
15:40	[23] Data quality control - an essential prerequisite of science	GRÜNBERG, Inge
15:55	[16] Harnessing consumer grade GPU hardware for the automation of annotation processes in hydrographic data – examples from the ValidITy project	STAEBLER, Flemming BUCK, Valentin
16:10	[27] Building Digital Twins of the Ocean	SCHOENING, Timm
16:25	[34] Enabling high performance DS capacity at the AWI's tier-3 HPC	Dr GIERZ, Paul
