Collection of potential topics to discuss in small groups

Tuesday 21 November 2023 16:00 (1 hour)

- How can HMC foster data reuse in Helmholtz?
- Which added value do we as HMC provide for the Helmholtz Association, our Communities, etc, ?
- Future challenges and awards within HMC and with other platforms (concept from IW)
- How do we map our results from the retreat to our future perspectives?
- ...

Further topics will be collected during the retreat on a white board. Groups should be formed and can meet in this session.

The group leader is requested to give a short oral summary of their major achievements and results (3 min) in the wrap-up and provide a short written documentation.
