RSE community building activities in Switzerland: recent activities and future plans

Wednesday, March 6, 2024 2:00 PM (20 minutes)

We are data scientists and software engineers from ETH Zurich's Scientific IT Services, an embedded RSE and HPC group.

After visiting RSE con UK for the second time, we started to build up an RSE community at ETH Zurich and to connect interested people within Switzerland. The response so far has been overwhelming and we want to give a short overview of what we have done up to now and what we are planning for the future. We also hope to connect with RSE communities outside of Switzerland for future collaborations.

Slot length

Primary authors: Dr OSCHMANN, Franziska (Scientific IT Services ETH ZURich); Dr CHADHA, Tarun (Scientific IT Services ETH ZURich); SCHMITT, Uwe (Scientific IT Services ETH ZURich)

Presenter: SCHMITT, Uwe (Scientific IT Services ETH ZURich)

Session Classification: RSE Communities

Track Classification: RSE Research and Communities: RSE Communities
