Teaching RSE Working Meeting

Thursday, March 7, 2024 9:00 AM (1h 30m)

In this workshop, the TeachingRSE project will work on how to institutionalize the education of RSEs in Germany. To that end we plan to showcase the current status to workshop participants to collect feedback on the current work, but also enable deRSE24 participants to contribute to the next publications and become regular contributors to the project.
